**The above printed information is part of your permanent ARRT record. Please review it carefully and contact the ARRT if there are any corrections or changes. No address or name changes will be processed at the test center.**

At the test center, you will be required to show two forms of identification. One must be a government-issued ID that contains a permanently affixed photo along with a signature and must not be expired. The second ID must contain your signature and must not be expired. Please see the list of acceptable IDs listed in the *Certification and Registration Handbook*. Test center administrators have been instructed not to admit anyone to the test center who does not have the required suitable IDs. ARRT will not refund fees for a candidate who is denied admission to the test center for failure to provide suitable identification.

A three-attempt, three-year limit is in effect for all certification disciplines. Allowing your examination window to expire or not appearing for a scheduled examination does not change the three-year limit. Please see the *ARRT Certification and Registration Handbook* for further details.

A code in the ELIGIBILITY STATUS field above will result in the issuance of a conditional assignment to the examination. This does not prevent you from scheduling an examination appointment. Examination results will not be released until the reason for the code is satisfied. If the code is not satisfied within six months of the examination date, your scores will be canceled and will count as an attempt in the three-attempt, three-year limit. See explanation of codes below.

**Scheduling the Appointment**

It is your responsibility to contact Pearson VUE to schedule the date, time, and location of your examination. The examination administration must be completed between the assigned window dates printed on this *Candidate Status Report*. If you fail to complete your exam during your assigned window, ARRT will send a *Notice of Expired Examination Window* to you, and you will be required to submit a reapplication form and fee to reopen your file for a future examination.

Please call the Pearson VUE Call Center at **1-800-632-9055** to schedule your appointment. You may also schedule your appointment via the internet at [www.pearsonvue.com/arrt](http://www.pearsonvue.com/arrt) (for internet scheduling, you must provide a return email address). See your *Certification and Registration Handbook* for internet scheduling details. Shortly after scheduling your appointment, Pearson VUE will send a confirmation letter to you — listing your appointment time and date, test center location, and directions to the test center — via email. See *ARRT Certification and Registration Handbook* for appointment confirmation information.

**Changing the Examination Appointment**

If you find it necessary to change your examination appointment, you must first call Pearson VUE to cancel your existing appointment in accordance with ARRT guidelines before requesting a new exam date or making changes in the test center location. See *ARRT Certification and Registration Handbook* for details. Pearson Vue will assess a \$10 fee for every canceled or rescheduled appointment.

**Calculators**

You may use the basic 4-function calculator or scientific calculator provided on the computer, or you may request a hand-held, basic 4-function calculator from the test center administrator. Personal calculators are prohibited for examinations in all categories. See your *Certification and Registration Handbook* for facsimiles of the online calculators.

**Results**

Please allow two to three weeks for delivery of examination scores. Final certification results are not given at the test center or over the phone.

**Appeals**

You must notify ARRT in writing of any negative situations that may have affected your exam performance before your exam results are released. ARRT will not investigate complaints it receives after your results have processed. Exam Administration Appeal Forms are found on the website and must be faxed to (651) 687-0349 within two days of your examination.
