HOT AREA

Use the mouse cursor to indicate the state where the Alamo is located.

(Note: Place the cursor over the selected area and click the mouse. When selected, the area will become outlined and change color)

SORTED LIST

The list in the panel below presents four states in random order. Place the states from the unordered list on the left into the panel on the right so that they appear in correct sequence proceeding from West to East.

Unordered Options

Arizona
New Mexico
Texas
California

Ordered Options

California
Arizona

and so on...

(Note: The mouse is used to click and drag the options from the unordered list to the ordered response list.)

VIDEO

For video questions, you will need to read the question, open the exhibit, press the play arrow on the video, watch the video in its entirety, and then answer the question. You will not be able to move forward on the exam until you have opened and watched the entire video. The video controls are shown and described below. **Note: the videos are silent (no sound).**
